Good morning I am the president of an archery club near Swansea.

We have an outdoor course above Aberdulais which has 4 ranges. 28 permanent targets which we can book archers online. It is similar to golf we walk round the courses shooting. I was supposed to be leaving this week to shoot in France at World Field Archery Championship. Which has been postponed I and other Welsh archers would like to get back to training for next year. Our archery association is in agreement with England and our Scottish archers are also all back shooting at clubs. We will keep our clubhouse shut and toilets too. Training is important for our muscles and we can distance ourselves and have family groups only.
