Dear Senedd CWLC

Outdoor archery/field archery is a very popular and valued sport in Wales. It's been very much missed in the community as it's an activity that's superb for physical and mental well-being. It is practiced by many as essential exercise (a number of us several times a week) and is great for promoting health in the community.

Outdoor archery/field archery is an inclusive sport practiced by a whole range of people in the community and is really good for social distancing.

Yours sincerely

Neil Feist
