Dear Lord Speaker

UNITED KINGDOM INTERNAL MARKET BILL

The Welsh Government is deeply concerned about the UK Internal Market Bill which will receive its second reading next week.

The Bill represents an unprecedented attack on the devolution settlement in Wales, and, we believe, in Scotland and Northern Ireland. It would undermine the Senedd's right to regulate in devolved areas of competence; give wholly new powers to UK Ministers to spend public funds on devolved issues in Wales, without any undertaking to work with the devolved Government in doing so; and would explicitly amend the Government of Wales Act to enable the government to impose a new 'state aid' regime without our agreement.

It would undermine the hard work which has been underway for more than three years on the part of all four Governments to develop the Common Frameworks programme, which aims to simultaneously ensure the smooth functioning of the UK Internal Market while protecting the established constitutional rights of the devolved legislatures and governments.

We have therefore developed a set of model amendments which I have pleasure in enclosing with this letter. We would urge members of the House to support these in order to protect the rights of the devolved institutions.

Although the amendments have been developed so as to have equal validity across all three of the devolved nations, I should stress that these are proposals from the Welsh Government. The Scottish Government has indicated that it is broadly supportive of these amendments while remaining resolutely opposed to the Bill in principle on the basis that it weakens devolution and breaches international law.

WELSH GOVERNMENT:

MODEL AMENDMENTS FOR THE UNITED KINGDOM INTERNAL MARKET BILL

The Welsh Government has prepared 'model amendments' which it would urge Peers to consider tabling to address its concerns with regard to the Bill, which as drafted would fundamentally undermine the devolution settlement.

In order to be valid and logical without further drafting, the amendments are presented so as to apply to Scotland and Northern Ireland as well as Wales.

Parts 1 – 3 and Schedules 1 and 2

In respect of Parts 1 – 3 of the Bill, the amendments aim to:

- Limit the application of Parts 1 to 3 to those subject areas, services or professions specified in regulations, which should only be made in circumstances where it has not been possible to reach agreement on a Common Framework for that specific subject area, service or profession *[amendment no.1 to insert new Clause after Clause 1, amendment no. 13 to insert new Clause to replace Clause 17, amendment no. 16 to insert new Clause after Clause 23 and amendment no. 25 inserting a new Schedule before Schedule 1. There are also related amendments to Clause 3 (amendment 3), Clause 9 (amendment 7), Clause 16 (amendments 11 and 12) and Clause 25 (amendment 17)]*
- Widen the scope of the exceptions to the market access principles to a wider range of public policy considerations, in line with practice within the EU *[amendment no. 8 inserting new Clause to replace Clause 10, amendment no. 9 to Clause 11, amendment no. 14 to Clause 18, amendment no. 15 to Clause 20, amendments nos. 26 and 27 to Schedule 1]*
- Require the consent of the devolved administrations should the Government wish to use its delegated powers to add to the areas or scope in which the principles can be applied or amend the exceptions to them and to any guidance issued by the Government *[amendment no. 2 to Clause 3, amendment no. 4 to Clause 6, amendment no. 10 to Clause 12]*
- Limit the scope of the application of the non-discrimination principle *[amendment nos. 5 and 6 to Clause 8]*
- Require Ministers, when making legislation, to have regard to the need to ensure a high level of protection in respect of environmental protection, food standards etc. in the regulation of goods *[amendment no. 24 inserting new Clause after Clause 52.]*

Part 4 and Schedule 3

In respect of Part 4 and Schedule 3, the amendments are intended to:

- Reflect the fact that, unlike its other functions, the Office of the Internal Market (OIM) in the Competition and Markets Authority (CMA) will be dealing with matters within devolved competence. These amendments therefore strengthen the role of the devolved institutions in the CMA's overall governance and the appointment of the OIM Panel [*amendments no. 19 to Clause 39, amendment no. 20 to Clause 40 and amendment nos. 28 to 34 to Schedule 3*]
- Ensure that the OIM is equally accountable to all four legislatures and administrations [*amendment no. 35 to Schedule 3*]
- Add to the role of the OIM to reflect the fact that powers under Parts 1 – 3 can only be 'switched on' by Regulations [*amendment no. 18 to insert a new Clause after Clause 31*]

Part 6

In respect of Part 6, the amendments are intended to remove the wholly new powers which the Bill would give to UK Ministers to fund activities within devolved competence in Scotland, Wales and Northern Ireland [*amendment no. 21 to remove Clause 48*]

Part 7

In respect of Part 7 the amendments are intended to:

- Remove the provisions which would prevent devolved legislation from making provision about the regulation of State aid, thereby maintaining the status quo and ensuring that each part of the UK can play a part in determining the UK's future State aid regime [*amendment no. 22 to remove Clause 50*]
- Remove the provisions which would make the Bill a 'protected enactment' (which would mean devolved legislatures would be prohibited from making any change to it), as the Government has claimed it is an economic, not a constitutional Bill [*amendment no.23 to remove Clause 51*]

AMENDMENTS TO THE UNITED KINGDOM INTERNAL MARKET BILL

After Clause 1

BARONESS FINLAY OF LLANDAFF

1 Insert the following new Clause –

“Application of market access principles

Legislation to which market access principles apply

- (1) The United Kingdom market access principles apply to legislation only so far as it relates to a subject specified in regulations made by the Secretary of State.
- (2) Regulations under subsection (1) may specify a subject only if it is within a description listed in Schedule (*Subjects to which market access principles may be applied*).
- (3) The Secretary of State may by regulations amend Schedule (*Subjects to which market access principles may be applied*).
- (4) Regulations under this section are subject to affirmative resolution procedure.
- (5) Before laying a draft of a statutory instrument containing regulations under this section before either House of Parliament, the Secretary of State must give notice of the proposed regulations to –
 - (a) each devolved authority, and
 - (b) the Competition and Markets Authority.
- (6) The Secretary of State may not lay the draft instrument before either House of Parliament until –
 - (a) the Secretary of State has received –
 - (i) a statement in relation to the proposed regulations from each devolved authority, and
 - (ii) a report or advice on the proposed regulations from the Competition and Markets Authority, or
 - (b) the period of 12 months beginning with the day on which notice was given under subsection (5) has ended.
- (7) When a draft of a statutory instrument containing regulations under this section is laid before either House of Parliament, the Secretary of State must at the same time lay before that House copies of any statements, report or advice mentioned in subsection (6)(a).
- (8) In this section, “devolved authority” means –
 - (a) the Scottish Ministers;
 - (b) the Welsh Ministers;
 - (c) the Department for the Economy in Northern Ireland.”

Member's explanatory statement

This amendment means that the United Kingdom market access principles only apply to legislation relating to subjects specified in regulations made by the Secretary of State. It introduces a new Schedule (inserted by amendment 25) listing the subjects that may be specified, and sets out the procedure for making regulations.

Clause 3

BARONESS FINLAY OF LLANDAFF

- 2 Clause 3, page 3, line 30, leave out “consult” and insert “obtain the consent of”

Member's explanatory statement

This amendment requires the Secretary of State to obtain the consent of the devolved administrations before making regulations amending clause 3(3), which specifies the types of statutory requirement that are within the scope of the mutual recognition principle.

Clause 4

BARONESS FINLAY OF LLANDAFF

- 3 Clause 4, page 4, line 5, leave out “is the day before the day on which this section comes into force” and insert “in relation to a statutory requirement relating to a subject is the day before the day on which regulations under section (*Legislation to which market access principles apply*) specifying that subject come into force”

Member's explanatory statement

This amendment is related to the new clause inserted by amendment 1. It means that the mutual recognition principle does not apply to a statutory requirement that applied in one part of the United Kingdom before regulations came into force specifying the subject of the requirement as one to which the principle applies.

Clause 6

BARONESS FINLAY OF LLANDAFF

- 4 Clause 6, page 5, line 28, leave out “consult” and insert “obtain the consent of”

Member's explanatory statement

This amendment requires the Secretary of State to obtain the consent of the devolved administrations before making regulations amending clause 6(3), which specifies the types of statutory provision that are within the scope of the non-discrimination principle.

Clause 8

BARONESS FINLAY OF LLANDAFF

- 5 Clause 8, page 6, line 21, leave out paragraph (d)

Member's explanatory statement

This amendment is consequential on amendment 8, which replaces clause 10. It removes the provision that a relevant requirement is indirectly discriminatory if (among other things) it cannot reasonably be considered a necessary means of achieving a legitimate aim. The issue is addressed more generally in the new clause 10.

BARONESS FINLAY OF LLANDAFF

6 Clause 8, page 6, line 45, leave out subsections (6) to (9)

Member's explanatory statement

This amendment removes provisions about the meaning and application of clause 8(1)(d), as a consequence of amendment 5 removing clause 8(1)(d).

Clause 9

BARONESS FINLAY OF LLANDAFF

7 Clause 9, page 7, line 10, leave out subsection (1) and insert –

“(1) Statutory provision relating to a subject is not a relevant requirement for the purposes of the non-discrimination principle for goods if the same provision was in force in the part of the United Kingdom concerned on the day before the day on which regulations under section (*Legislation to which market access principles apply*) specifying that subject come into force.”

Member's explanatory statement

This amendment is related to the new clause inserted by amendment 1. It means that the non-discrimination principle does not apply to a statutory requirement that applied in part of the United Kingdom before regulations came into force specifying the subject of the requirement as one to which the market access principles apply.

Clause 10

BARONESS FINLAY OF LLANDAFF

8 Leave out Clause 10 and insert the following new Clause –

“Exclusions from market access principles: public policy etc.

- (1) The United Kingdom market access principles do not apply to (and sections 2(3) and 5(3) do not affect the operation of) any legislation so far as it satisfies the conditions set out in subsections (2) and (3).
- (2) The first condition is that the aim of the legislation is –
 - (a) the protection of the life or health of humans, animals or plants,
 - (b) the protection of public safety or security,

- (c) the protection of the environment,
 - (d) the protection of animal welfare,
 - (e) consumer protection,
 - (f) the improvement of working conditions, or
 - (g) a combination of any of those aims.
- (3) The second condition is that the legislation can reasonably be considered a proportionate means of achieving that aim or those aims.
- (4) The United Kingdom market access principles do not apply to (and sections 2(3) and 5(3) do not affect the operation of) any legislation so far as it imposes, or relates to the imposition of, any tax, rate, duty or similar charge.
- (5) A relevant requirement is not to be taken indirectly to discriminate against goods for the purposes of section 8 if –
- (a) it is statutory provision contained in, or in subordinate legislation made under, an Act of Parliament,
 - (b) the same, or substantially the same, statutory provision applies in the originating part,
 - (c) the statutory provision that applies in the originating part is also contained in, or in subordinate legislation made under, an Act of Parliament, and
 - (d) no substantive change to the statutory provision has come into force –
 - (i) in the destination part but not the originating part, or
 - (ii) in the originating part but not the destination part.
- (6) In subsection (5), “relevant requirement”, “statutory provision”, “originating part” and “destination part” have the meanings they have in relation to the non-discrimination principle for goods (see sections 5 and 6).
- (7) The Secretary of State may by regulations amend subsection (2).
- (8) Regulations under subsection (7) are subject to affirmative resolution procedure.
- (9) Before making regulations under subsection (7) the Secretary of State must obtain the consent of –
- (a) the Scottish Ministers;
 - (b) the Welsh Ministers;
 - (c) the Department for the Economy in Northern Ireland.”

Member’s explanatory statement

This amendment specifies exclusions from the United Kingdom market access principles, in place of the narrower exclusions in Schedule 1. In particular, it means the principles will not apply to legislation which can reasonably be considered a proportionate means of achieving any of the policy aims listed in subsection (2).

Clause 11

BARONESS FINLAY OF LLANDAFF

9 Clause 11, page 8, line 9, leave out subsections (6) and (7)

Member's explanatory statement

This amendment is consequential on amendment 8 replacing clause 10, which will mean that Schedule 1 no longer sets out exclusions from the United Kingdom market access principles. It removes provisions modifying one of the exclusions in Schedule 1.

Clause 12

BARONESS FINLAY OF LLANDAFF

10 Clause 12, page 8, line 31, at end insert—

“(4A) Before issuing, revising or withdrawing any guidance the Secretary of State must obtain the consent of the Scottish Ministers, the Welsh Ministers and the Department for the Economy in Northern Ireland.”

Member's explanatory statement

This amendment requires the Secretary of State to obtain the consent of the devolved administrations before issuing, revising or withdrawing guidance on the operation of the United Kingdom market access principles or of Part 1 of the Bill.

Clause 16

BARONESS FINLAY OF LLANDAFF

11 Clause 16, page 11, line 26, leave out paragraph (c) and insert—

“(c) a requirement that—

- (i) is in force, or otherwise has effect, in relation to a service on the relevant day, and has not been substantively changed after that day, or
- (ii) comes into force, or otherwise takes effect, in relation to a service after the relevant day, if it re-enacts or replicates (without substantive change) a legislative requirement in force or having effect in relation to the service immediately before the relevant day;”

Member's explanatory statement

This amendment is related to new clause 17 substituted by amendment 13, which means that Part 2 applies only to services specified in regulations. This amendment and amendment 12 mean that Part 2 does not generally apply to requirements that have effect before the regulations come into force.

BARONESS FINLAY OF LLANDAFF

12 Clause 16, page 12, line 3, leave out subsection (7) and insert –

“(7) For the purposes of subsections (5)(c) and (6) –

- (a) the “relevant day” is the day before the day on which section 18 first applies, or sections 19 and 20 first apply, in relation to a service by virtue of regulations under section (*Services: application of sections 18 to 20*);
- (b) an authorisation requirement corresponds to another authorisation requirement if it relates to the same, or substantially the same, services.”

Member’s explanatory statement

This amendment is related to the new clause 17 substituted by amendment 13, which means that Part 2 applies only to services specified in regulations. This amendment and amendment 11 mean that Part 2 does not generally apply to requirements that have effect before the regulations come into force.

Clause 17

BARONESS FINLAY OF LLANDAFF

13 Leave out clause 17 and insert the following new clause –

“Services: application of sections 18 to 20

- (1) Section 18 applies to a service only if it is specified in regulations made by the Secretary of State.
- (2) Regulations under subsection (1) may not specify a service listed in the table in Part 1 of Schedule 2.
- (3) Sections 19 and 20 apply to a service only if it is specified in regulations made by the Secretary of State.
- (4) Regulations under subsection (3) may not specify a service listed in the table in Part 2 of Schedule 2.
- (5) In Schedule 2 –
 - (a) Part 3 lists authorisation requirements to which section 18 does not apply;
 - (b) Part 4 lists regulatory requirements to which sections 19 and 20 do not apply.
- (6) The Secretary of State must keep Schedule 2 under review.
- (7) The Secretary of State may by regulations amend Schedule 2.
- (8) Regulations under subsections (1) and (3) are subject to affirmative resolution procedure.

- (9) Before laying a draft of a statutory instrument containing regulations under subsection (1) or (3) before either House of Parliament, the Secretary of State must give notice of the proposed regulations to—
 - (a) each devolved authority, and
 - (b) the Competition and Markets Authority.
- (10) The Secretary of State may not lay the draft instrument before either House of Parliament until—
 - (a) the Secretary of State has received—
 - (i) a statement in relation to the proposed regulations from each devolved authority, and
 - (ii) a report or advice on the proposed regulations from the Competition and Markets Authority, or
 - (b) the period of 12 months beginning with the day on which notice was given under subsection (9) has ended.
- (11) When a draft of a statutory instrument containing regulations under subsection (1) or (3) is laid before either House of Parliament, the Secretary of State must at the same time lay before that House copies of any statements, report or advice mentioned in subsection (10)(a).
- (12) Regulations under subsection (7) are subject to affirmative resolution procedure.
- (13) But, during the period of three months beginning with the day this section comes into force, the Secretary of State may make regulations under subsection (7) subject instead to made affirmative procedure.
- (14) Before making regulations under subsection (7) the Secretary of State must obtain the consent of each devolved authority.
- (15) In this section, “devolved authority” means—
 - (a) the Scottish Ministers;
 - (b) the Welsh Ministers;
 - (c) the Department for the Economy in Northern Ireland.”

Member's explanatory statement

This amendment means that the provisions in Part 2 limiting the effect of certain requirements apply only to services that are specified in regulations made by the Secretary of State. It provides that services listed in Schedule 2 may not be specified, and sets out the procedure for making regulations.

Clause 18

BARONESS FINLAY OF LLANDAFF

- 14 Clause 18, page 13, line 14, at end insert “or by any other overriding reason relating to the public interest”

Member's explanatory statement

This amendment broadens the purposes for which an authorisation requirement may be applied to a person authorised in another part of the United Kingdom, to include any overriding reason relating to the public interest (rather than only to respond to a public health emergency).

Clause 20

BARONESS FINLAY OF LLANDAFF

15 Clause 20, page 14, line 20, leave out subsections (6) to (8)

Member's explanatory statement

This amendment removes the list of "legitimate aims" in clause 20(6) and the power to amend that list. The intention is that the reference to a legitimate aim in clause 20(2)(d) should be read as meaning any legitimate aim, not only the three aims listed in subsection (6).

After Clause 23

BARONESS FINLAY OF LLANDAFF

16 Insert the following new Clause –

"Application of Part 3

- (1) This Part applies to a profession only if it is specified in regulations made by the Secretary of State.
- (2) Regulations under this section are subject to affirmative resolution procedure.
- (3) Before laying a draft of a statutory instrument containing regulations under this section before either House of Parliament, the Secretary of State must give notice of the proposed regulations to –
 - (a) each devolved authority, and
 - (b) the Competition and Markets Authority.
- (4) The Secretary of State may not lay the draft instrument before either House of Parliament until –
 - (a) the Secretary of State has received –
 - (i) a statement in relation to the proposed regulations from each devolved authority, and
 - (ii) a report or advice on the proposed regulations from the Competition and Markets Authority, or
 - (b) the period of 12 months beginning with the day on which notice was given under subsection (3) has ended.

- (5) When a draft of a statutory instrument containing regulations under this section is laid before either House of Parliament, the Secretary of State must at the same time lay before that House copies of any statements, report or advice mentioned in subsection (4)(a).
- (6) In this section, “devolved authority” means –
 - (a) the Scottish Ministers;
 - (b) the Welsh Ministers;
 - (c) the Department for the Economy in Northern Ireland.”

Member’s explanatory statement

This amendment means that Part 3 of the Bill (concerning mutual recognition of professional qualifications) will apply to a profession only if it is specified in regulations made by the Secretary of State. It also sets out the procedure for making regulations.

Clause 25

BARONESS FINLAY OF LLANDAFF

17 Clause 25, page 45, line 46, leave out subsections (2) and (3) and insert –

- “(2) In subsection (1) “existing provision” means –
 - (a) provision that is in force in relation to a profession on the date that regulations under section (*Application of Part 3*) are made in relation to that profession, or
 - (b) provision that comes into force in relation to a profession after that date so far as it is, in substance, a re-enactment or replication of provision within paragraph (a).
- (3) Subsection (1) does not apply (and section 22(2) accordingly does apply) in relation to a profession if, after the date on which regulations under section (*Application of Part 3*) are made in relation to that profession, provision comes into force in a part of the United Kingdom other than the relevant part that changes the circumstances in which individuals are qualified in relation to that profession.”

Member’s explanatory statement

This amendment is related to amendment 16. It means that Part 3 does not generally apply to legislation that is already in force in relation to a profession when regulations are made applying Part 3 to that profession (or that restates legislation that was in force at that time).

After Clause 31

BARONESS FINLAY OF LLANDAFF

18 Insert the following new Clause –

“Advice on proposal to make regulations applying Part 1, 2 or 3

- (1) Where the CMA is given notice of proposed regulations in accordance with section *(Application of market access principles)*(5), *(Services: application of sections 18 to 20)*(9) or *(Application of Part 3)*(3), the CMA must give advice, or make a report, to the Secretary of State with respect to the proposed regulations.
- (2) The advice or report must (among other things) consider the potential effects on the matters specified in subsection (3)—
 - (a) of any regulatory provision that any relevant national authority has proposed or might reasonably be expected to propose and that would be affected by the making of the proposed regulations, and
 - (b) of the application of Part 1, 2 or 3 of this Act by virtue of the proposed regulations.
- (3) The matters mentioned in subsection (2) are—
 - (a) the effective operation of the internal market in the United Kingdom, including—
 - (i) indirect or cumulative effects;
 - (ii) distortion of competition or trade;
 - (iii) impacts on prices, the quality of goods and services or choice for consumers;
 - (b) the following in each part of the United Kingdom—
 - (i) the health and safety of humans, animals and plants,
 - (ii) standards of environmental protection, and
 - (iii) any other aim that any regulatory provision mentioned in subsection (2)(a) would seek to promote.
- (4) Where the CMA gives advice, or makes a report, to the Secretary of State under this section—
 - (a) it must at the same time send a copy of the advice or report to the Scottish Ministers, the Welsh Ministers and the Department for the Economy in Northern Ireland;
 - (b) it must publish the advice or report in such manner as it considers appropriate.”

Member's explanatory statement

This amendment requires the CMA to provide advice or a report to the Secretary of State when notified of proposed regulations applying Part 1, 2 or 3 of the Bill (under the clauses inserted or substituted by amendments 1, 13 and 16), and it specifies matters that the advice or report must consider.

Clause 39

BARONESS FINLAY OF LLANDAFF

- 19 Clause 39, page 31, line 6, leave out “such” and insert “each relevant national authority and such other”

Member’s explanatory statement

This amendment requires the CMA to consult the Secretary of State and the devolved administrations when preparing or revising its statement of policy in relation to the enforcement of notices under clause 38 requiring information or documents.

Clause 40

BARONESS FINLAY OF LLANDAFF

- 20 Clause 40, page 31, leave out lines 39 to 41 and insert –

“must –

- (a) consult the CMA and such other persons as the Secretary of State considers appropriate;
- (b) obtain the consent of each other relevant national authority.”

Member’s explanatory statement

This amendment requires the Secretary of State to obtain the consent of the devolved administrations before making regulations specifying maximum penalties that may be imposed by the CMA under clause 39.

Member’s explanatory statement

This notice is intended to remove the provision for a Minister of the Crown to provide financial assistance for economic development etc. anywhere in the United Kingdom.

Clause 50

BARONESS FINLAY OF LLANDAFF

- 22 *Baroness Finlay of Llandaff gives notice of her intention to oppose the Question that Clause 50 stand part of the Bill.*

Member’s explanatory statement

This notice is intended to remove provisions changing the legislative competence of the devolved legislatures to prevent devolved Acts making provision about the regulation of the provision of certain subsidies by public authorities.

Clause 51

BARONESS FINLAY OF LLANDAFF

23 *Baroness Finlay of Llandaff gives notice of her intention to oppose the Question that Clause 51 stand part of the Bill.*

Member's explanatory statement

This notice is intended to remove provisions changing the legislative competence of the devolved legislatures to prevent devolved Acts modifying the United Kingdom Internal Market Act 2020.

After Clause 52

BARONESS FINLAY OF LLANDAFF

24 Insert the following new Clause –

“52A Establishing and maintaining high levels of protection in the regulation of goods

- (1) The duty in subsection (2) applies where an appropriate authority exercises any function of making of subordinate legislation that establishes, alters or removes a relevant requirement.
- (2) The appropriate authority must have regard to the need to establish and maintain a high level of protection in respect of any regulatory aim that is relevant to the relevant requirement.
- (3) A person in charge of a Bill in an appropriate legislature that contains provision establishing, altering or removing a relevant requirement must make a statement, on or before introduction of the Bill, that –
 - (a) sets out the person's view as to whether the provisions will provide for a level of protection in respect of any regulatory aim relevant to the relevant requirement that is equivalent to, higher than or lower than the level of protection afforded by the law before it would be changed by the Bill, and
 - (b) sets out the person's reasons for holding that view.

 - (g) a combination of any of those aims;
- “relevant requirement” means –
- (a) a relevant requirement (within the meaning given by section 3) for the purposes of the mutual recognition principle for goods as it applies in relation to the sale of goods in a part of the United Kingdom, or
