**Inquiry into the implementation of the Wales Act 2014 and operation of the Fiscal Framework**

Thank you for your recent letter inviting me to attend an evidence session with your Committee on the implementation of the fiscal provisions in the Wales Act 2014 and operation of the Fiscal Framework.

While I would be pleased to give evidence to your Committee on matters relating to my responsibilities as Secretary of State for Wales and the role of my department, I must stress that detailed questions about UK Government fiscal policy and the Fiscal Framework are matters for HM Treasury.

I am copying this letter to the Chief Secretary to the Treasury, the Welsh Government Minister for Finance and Trefnydd and the Llywydd.
