Dear Mike,

**Request to Sponsor launch of NRW's Corporate Plan on 21 March 2018**

We are writing to ask you if you would kindly consider sponsoring a Natural Resources Wales event to launch our Corporate plan to 2022.

Our new corporate plan is based around the Well-being Statement that we published earlier this year, emphasising how important the natural environment and management of our natural resources are for people, for wildlife and for Wales.

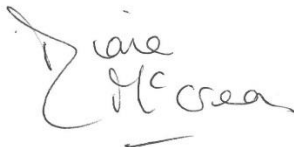

We want our Corporate Plan to provide a clear and inspiring picture of where we are going and what intend to achieve, based on our vision of leading the way to a better future for Wales by managing the natural resources of Wales sustainably.

As Chair of the Climate Change, Environment and Rural Affairs Committee, we would be most grateful if you could sponsor this event at the Senedd or Pierhead Building.

Our Board is meeting in Cardiff on 22 March and we would like to hold this event early in the evening on Wednesday 21 March 2018. We would invite all Assembly Members, stakeholders and key NRW customers to learn about and share our ambitions.

Our communications team would be happy to work with your team on the necessary arrangements if you can accept this invitation to facilitate this event.

Yours sincerely,

**Diane McCrea**
