- (2) The first condition is that the local planning authority is designated by the Welsh Ministers for the purposes of this section.
  - (3) The second condition is that—
    - (a) the development to which the application relates, in the case of a qualifying application within subsection (4)(a), or

    - (b) an application for approval of a matter that, for the purposes of section 92, is a reserved matter in the case of an outline planning permission for the development of land in Wales.
  - (5) But an application within subsection (6) that would otherwise be a qualifying application for the purposes of this section is not to be treated as such unless it is an application of a description prescribed in regulations made by the Welsh Ministers.
  - (6) An application is within this subsection if it is an application for planning permission for the development of land without complying with conditions subject to which a previous planning permission was granted.
  - (7) The power to make a designation for the purposes of this section, or to revoke a designation, is exercisable by notice in writing to the authority concerned.

- (4) Subsection (5) applies if an application is made to the Welsh Ministers under this section, on the basis that it is a connected application, instead of to a local planning authority or hazardous substances authority, but the Welsh Ministers consider—
  - (a) that the application is not connected to the principal application, or
  - (b) that, although the application is connected to the principal application, the decision on the application should not be made by the Welsh Ministers.
- (5) The Welsh Ministers must refer the application to the local planning authority or hazardous substances authority.
- (6) An application referred to an authority under subsection (5)—
