

Health and Social Care Committee

Consultation on terms of reference for inquiry into residential care for older people

RC17 ToR – Centre for Innovative Ageing

Dear Llinos

I (and member of the Centre for Innovative Ageing) have reviewed the ToR and have no additional comments to make. With think the aims are wide-ranging and cover suitable breadth regarding the types of issues that are likely to be of concern in residential care facilities.

All the best
Vanessa Burholt
