

P-05-755 Call on Welsh Government to make the A48 safe for all road users and pedestrians at Laleston, Broadlands and Merthyr Mawr – Correspondence from the Petitioner to the Committee, 1.06.17

Many thanks for your reply.

As another child was knocked off their bike last week on the same stretch of the a48 I consider that any action other than to implement these improvements is negligent.

I would welcome the petitions committee attending the location to see the situation for themselves.

Kind Regards

Ian Spiller

Laleston Community Councillor
