Dear David

Thank you for your letter of 10 October, regarding the Petitions Committee questions about CCTV in slaughterhouses.

I note the Committee's view that the Welsh Government should make CCTV mandatory in Welsh slaughterhouses. I have stated my intention to continue to consider the option of legislation and the uptake of the grant scheme will be a factor in my decision making.

The support scheme (FBIS Slaughterhouse) launched an Expression of Interest window at the end of September and in due course will be followed by an application window. Successful applicants will then have a period of time to complete their investments. Like all grant schemes the successful applicants will be reviewed some time after completion. I will not be reporting on the scheme until I am in possession of all review information.

I do not have a definitive list of all slaughterhouses in Wales without CCTV in place.

Regards  
Lesley
